

PILOTE OWNERS ASSOCIATION

An organisation for the Owners of Motorhomes produced by Groupe Pilote SAS

Dealers Stamp if applicable

Thank you for requesting information about the Pilote Owners Association, which was formed in November 1987. Since that time Groupe Pilote have acquired additional marques and the Association now accepts membership applications from the owners of most marques manufactured by Groupe Pilote

The Association is now run by an elected committee, and although it is necessary to have a Constitution, a Code of Conduct and Public Liability, meets are informal and friendly. Membership is now in the region of 200 vans and meetings occur regularly throughout the year, some of which are at Trade shows where we support Groupe Pilote dealers by our presence.

The Membership fee is currently £18.00 per van and covers all family members living at your stated address, although only members over the age of 18 are allowed to vote at the AGM held each year in the spring. Membership is renewed annually, which currently is from the 1st November. Please make your cheque payable to the "PILOTE OWNERS ASSOCIATION".

Upon receipt of your cheque, a 'starter' pack will be sent to you. This will contain a Membership Card, the current Newsletter, a copy of the Constitution & Rules book, a Code of Conduct and a Pilote Owners Association sticker, which should be displayed prominently on your van. You will then be eligible to attend meets. Three Newsletters are published each year and are normally sent to you by email; hence, our request to you is to return the entire form completed clearly in capital letters, including your postcode. I hope this explains sufficiently to you the aims of the Association: to promote an interchange of ideas between members and dealers and to provide meets where members can enjoy both their motorhomes and the friendship of fellow members to the full.

I look forward to receiving your application in the near future.
